### **Camp Scholarship Requirements**

Scholarships will be based on funds available, number of applicants, and written request from parent or camper. Scholarships will not be used for the non-refundable deposit, currently \$150.00. Therefore, the camper must be registered for camp before the scholarship is provided. Scholarship payments will be sent directly to Fowler Camp and Retreat Center.

Scholarship applicants who attend another Christian church will be required to provide a matched (or more) scholarship amount from their home church.

The purpose of providing a scholarship to Fowler Camp and Retreat Center is to introduce youth to Christianity or to enhance their current beliefs. Therefore, the written request would detail why Christianity is important to them.

Scholarship recipients will be required to:

- Attend 10 hours per year, not including attendance at Fowler Camp and Retreat Center, at local Christian education events. This may include Sunday School, youth group, Bible study, Vacation Bible School, worship services, etc. For this purpose, the time period is from April 1 through March 30 the following year. Written confirmation is required on the form provided.
- Provide 10 hours of community service per year. This may include volunteering at a non-profit, helping a neighbor, etc. Time period is from April 1 through March 30 the following year. Written confirmation is required on the form provided.
- Send a letter to Stone Presbyterian Church highlighting their camp experience and what they learned. This letter is to come from the camper, not from their parent.

**If a scholarship is provided and the above requirements are not met, the camper will be ineligible for a scholarship in the future.**

**Stone Presbyterian Church reserves the right to refuse any scholarship application.**
